

Tweeting with Young Enterprise

YOUNG
enterprise
NORTHERN
IRELAND

Share your Young Enterprise
experience with us!

At Young Enterprise, we love to hear about how our volunteers are getting on! As you are out and about inspiring Northern Ireland's budding entrepreneurs, why not send a tweet to show the world what you're doing? It's easy!

Step 1

Take a nice photo (preferably landscape!) that best captures your experience. Be sure to get photo permission from the teacher.

Step 2

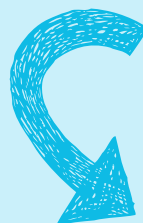

Upload the photo to twitter and tell us (in 140 characters!) about your experience. Use the example below to help you!

Step 3

In the tweet, you can tag (using the '@' sign) the school or centre, your organisation, and of course Young Enterprise @YE_NI

Psst! Don't
forget to use our
volunteer hashtag
in your tweet!
